OSCEOLA COUNTY LAUNCHES **FREE** ON-LINE VENDOR REGISTRATION AND SOLICITATION NOTIFICATION SYSTEM.

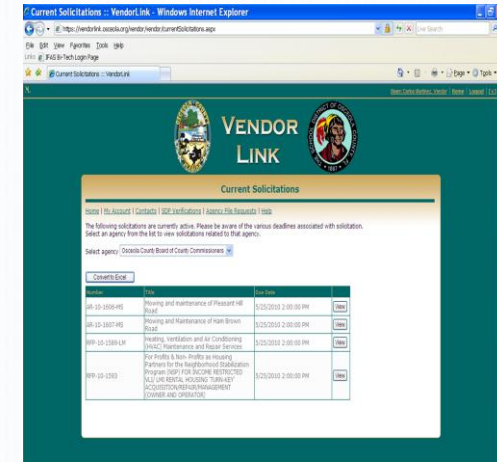

Osceola County has launched an in-house, on-line vendor registration and solicitation notification system called VendorLink.

VendorLink allows vendors to view and download solicitations at no cost, 24- hours a day, seven days a week, from any computer with internet access.

Vendors must register to access current solicitations on VendorLink. Solicitations are matched with vendors categorized by the specific commodity or service offered, and vendors are notified of upcoming opportunities via email. Alternatively, vendors may request bid documents from Procurement Services.

Vendors may register for this **FREE** service by visiting <https://vendorlink.osceola.org>.

Solicitations will continue to be published in local newspapers and posted outside of the Procurement Services office in the County Administration Building in downtown Kissimmee.

Solicitations may also be viewed on the Procurement Services webpage by selecting the "Current Solicitations via Osceola County VendorLink" icon.

For more details, please contact the Procurement Services Office at 407-742-0900.
