

PROMOTE A HEALTHY ENVIRONMENT

HAND SANITIZER SERVICE

Provide the first line of defense against germs on your property by adding hand sanitizer service from Cintas. Help reduce the spread of germs and promote a healthy environment through better hand hygiene as endorsed by the CDC.

- Our fast-acting Germ-X formula kills 99.9% of bacteria, and is gentle enough for everyday use
- Available in multiple options — manual and touchless dispensers, bottles and desktop or full-size stands
- Regularly scheduled service visits and routine product replenishment keep you stocked with hand sanitizer

DISINFECTING WIPES

With today's heightened focus on health and safety, it's important to be well-stocked on the disinfecting wipes you need to help kill germs, bacteria and viruses on your property.
