- Mapping the Guest Journey with Science  
Speakers: **Melissa Hughes**, Published Author & Speaker | The Andrick Group  
**Kyle R. Greene**, President | Kyle G's Restaurants

As a restaurateur, you know that providing an exceptional guest experience is critical to the success of your business. You may have implemented various strategies such as improving the menu, enhancing the ambiance, and training your staff to deliver excellent customer service. But, have you considered mapping the guest journey with science? Kyle Greene of Kyles G's Restaurants and Dr. Melissa Hughes, author of *Happier Hour with Einstein*, will explore the operational stages of the guest journey – from reservations to reviews - and apply principles of neuroscience and behavioral economics to create an exceptional guest experience that sets your restaurant apart from the competition.

- **Be a Happy Leader**

*Sponsored by: Heartland & FPL*

**Keynote Speaker:** Tia Graham, Founder of Arrive At Happy, LLP

*The world of work and what humans expect from leaders and organizations has changed drastically. How an organization authentically prioritizes mental health and employee well-being are being considered when choosing to join or leave. Leaders are expected to be authentic, trusting, and caring. Our always-on culture and constant pressure for results make it easy for leaders to have chronic stress and feel overwhelmed. My question for you is...how happy and motivated are your teams right now? A happy and inspirational leader is vital for team success. This powerful talk inspires leaders to prioritize their own well-being and create thriving teams by understanding positive psychology, neuroscience, and happiness at work research. When team member happiness is placed as a top priority, customers are loyal and the reputation of the company soars. Innovation and creativity expand when team members are happy while working. There are massive personal, organizational, and financial consequences if leaders do not focus well-being for themselves and for their teams.*

*Brief Breakout Description: More than ever, today's customers and employees are inspired by purpose-driven brands that stand for something meaningful. Exceptional food and a memorable dining experience can only be achieved when your staff is passionate,*

motivated, and committed to your restaurant's core values and mission. In this engaging and interactive breakout presentation, discover practical strategies on how to diagnose what ails your culture and essential tips on building a thriving, purpose-driven restaurant culture that empowers your team and drives your brand's success. Learn how to define your brand's distinct purpose, create a positive work environment that aligns with your values, foster open communication rooted in a shared vision, and support your employees' growth for increased performance, loyalty, and customer satisfaction. Join us and unlock the full potential of your staff to make your restaurant a sought-after destination for both diners and top talent who appreciate and advocate for your purpose-driven brand. Don't miss this opportunity to elevate your business, redefine your restaurant's culture, and make a lasting impact on your entire community!

- **It's Not If. It's When. Dealing with the Media in Times of Crisis**

**Speaker:** Corey Saban, Communications & Media Strategist | CS Media Works  
*No comment. That's your first reaction when a reporter calls, but that simple response can cause way more damage to your brand. Sexual harassment, food poisoning, and any crisis can affect your bottom line. In this dynamic session, I will teach you the tips and tricks reporters use to bait you into something you don't want to say. We will role-play real-life scenarios that your colleagues have dealt with to understand better how to manage the media in times of crisis.*
