BROWARD CHAPTER

Excellence in Education Breakfast Awards

Monday May 01, 23 @ 8:30 AM; Renaissance Hotel Plantation

I am pleased to share 2023 sponsorship opportunities for the **Broward Chapter of Florida Restaurant & Lodging Association.**

Each year we celebrate Education in Hospitality with scholarship awards and honor community and industry leaders for their continuous commitment and leadership.

For over a decade, our annual fundraisers have been instrumental towards education funds providing scholarships, curriculum, textbooks, supplies in support of Broward students in ProStart Culinary and the Hospitality & Tourism Management Programs. A portion of all proceeds directly benefit nearly 7,000 students annually pursuing a hospitality career in Broward public high schools!

This year we are thrilled to expand our scholarship dollars by opening applications to college and university levels of culinary and hospitality students. We believe this will accelerate inspiring graduates to step into the industry position in Broward County.

As a sponsor, you can elevate your brand visibility and promote your business while supporting students who strive to become future industry employees, managers, and owners. Our programs and events offer you the perfect occasion to network with industry executive, community leaders and government officials who recognize and appreciate our loyal sponsors.

Thank you for your continued support of our good work!

Rozeta Mahboubi
