About FRLA

The Florida Restaurant and Lodging Association (FRLA) is Florida's premier non-profit hospitality industry trade association. Founded in 1946 as the Florida Restaurant Association, FRLA merged with the Florida Hotel and Motel Association in 2006. FRLA's more than 10,000 members include independent hoteliers and restaurateurs, household name franchises, theme parks and suppliers.

The association's mission is to protect, educate and promote Florida's \$111.7 billion hospitality industry which represents 1.5 million employees. Dedicated to safeguarding the needs of the membership, FRLA provides legislative advocacy to ensure the voices of its members are heard and their interests are protected.

The association offers regulatory compliance and food safety training through SafeStaff® and FRLA's subsidiary, RCS Training. The FRLA Educational Foundation provides industry-developed, career-building high school programs throughout the state.

Join Florida's most influential hospitality professionals and top-level executives and expect to see powerful players such as Coca-Cola, Marriott, Loews Hotels, The Ritz-Carlton, Bloomin' Brands and many more.

"The FRLA Summit is one of my favorite events of the year. It's the perfect blend of education and networking for our industry, and it is also a conference where you have a good time. The Summit is a wonderful showcase for the organization and it is one of the few events where I bring fellow employees and industry colleagues with me because I know they will be enriched personally and professionally."
