The mentors, teachers, chaperones, and families are expected to ensure that the team members comply with all applicable laws, rules, and regulations. Team members shall comply with all other written as well as verbal instructions or warnings provided by FRLA.
2. The team will send all required information to the Florida Restaurant & Lodging Association Educational Foundation (FRLAEF) no later than February 7, 2025. (If necessary, you will be able to make changes after you turn in your information.) UNIFORMS

1. Teams must present a uniform appearance throughout the competition.
2. Appropriate apparel for front-of-the-house attire (such as apron, white shirt, black pants, and closed toe shoes) or Attire can also include polo shirts or dress shirts, dress pants/skirts and dress shoes. Sponsor logo T-shirts will be acceptable. Jeans are not acceptable.

PROCEDURE

1. Each team will set a table for three guests with these required place settings: American Place Setting, Russian Place Setting, and French Place Setting. Examples are attached. These examples will be provided to the judges for comparison during the competition. They can also be found at this link: <https://frla.org/2025-napkin-folds-place-settings/>
2. There are three required napkin folds: **ENVELOPE, LILY, AND PYRAMID**. Control/Click on the hyperlink to watch YouTube tutorials. Or cut and paste the link below into your browser. These examples will be provided to the judges for comparison during judging. Pictures of the napkin folds are attached.
3. It is up to the team's discretion as to which napkin fold is placed with each place setting. The only requirement is that each place setting and each napkin fold be demonstrated.
4. Teams will begin the relay at the start/finish line. Stations will be set up throughout the relay with various items needed to set the final table on each station. **Past the stations will be a round 8-foot table with three chairs.**
5. The FRLAEF will provide all items required to complete the relay (i.e. napkins, dishware, flatware, glassware, tablecloths and wrist coil key chain).
6. Prior to a team member beginning his/her leg of the competition, he/she must receive the team wrist coil key chain from the previous team member to proceed.
7. Teams will not be assessed penalties for how the team members carry any of the items to the table. For example, the team member carrying the glasses to the table does not have to carry them as if he/she were serving guests.
8. Judges will be placed throughout the relay to determine if a team member drops any items. If any item is dropped, the team will be given a 10 second penalty for each item dropped.
9. After the first round, the top 8 teams will advance to a second round. The top 8 teams will then run the relay again. The teams' scores from the second round will determine the event winners.

WAITER'S RELAY

1. FIRST LEG:

The first team member must take the wrist coil key chain and proceed to the table linen and dish area. The team member must bring a tablecloth and the required dishes to the table they are setting. When the team member arrives at the new table, he/she must put the tablecloth on the table. The tablecloth must cover the entire table top and not touch the ground. The team member must place the dishes on the table according to their designated place setting. The team member will be responsible for putting all the dishes on the table. Once the team member completes the task, he/she must go back to the start/finish line to hand off the wrist coil key chain to the second team member.

2. SECOND LEG:

The second team member must take the wrist coil key chain and proceed to the silverware and glassware area. The team member must deliver all the necessary silverware and glassware to the table he/she is setting. The team member may make as many trips as necessary to collect all the items. The team member must set the table exactly as the designated place settings require. Once the team member completes the task, he/she must go back to the start/finish line to hand off the wrist coil key chain to the third team member.

3. THIRD LEG:

The third team member must take the wrist coil key chain and proceed to the napkin area. The team member must pick up three (3) napkins and bring them to the table he/she is setting. The team member must then proceed to fold one of each of the three napkin folds. The three required napkin folds are Envelope, Lily, and Pyramid. The team member may place each napkin at the place setting of his/her choice. Once the team member completes the task, he/she must cross the start/finish line. When the third team member crosses the finish line, the timer will record the time.

SCORING
